AUSTRIA

## CALENDAR AND TIMETABLES

### THE SCHOOL YEAR

The rhythm of the school year is designed around the seasonal opportunities provided by the school's location, for both study and activities.

A School Year is divided into three terms:

- AUTUMN TERM  
September-December
- WINTER TERM  
January-March
- SUMMER TERM  
April-June

At the end of October, during the first term, there are no formal lessons and students may travel to complete a Creative, Action and Service week. Students are expected to use the week for approved cultural, learning, or service activities. Boarders may remain at School during this time.

During the extended winter and summer breaks, all students leave the School.

### THE WEEK

In a boarding school during term time our week consists of seven days for teachers and students, not five days and a weekend. For example, depending on the weather and snow conditions, some classes may be moved from Wednesday to Saturday to permit a full mid-week day of skiing. Sunday is a day of rest but may include some leisurely activities.

Our day students participate as much as possible in the full social and activities programme of the school. On designated weekends all students are free to travel, visit relatives or host families.
