This application is a request for admission for my son/daughter to attend St. Gilgen International School in accordance with the terms and conditions set forth in the school's Admissions Policy and Requirements and Financial Obligations. The sum of €100 is enclosed/has been transferred as a non-refundable application fee. I understand that an enrolment fee of €2,000 is due to reserve a place when the applicant is accepted.

I understand that a place cannot be guaranteed until this enrolment fee is received. Acceptance and entrance constitute a contract to pay the entire year's tuition and boarding charges, and I understand that there is no reduction or refund for absence, withdrawal or dismissal.

The school reserves the right to dismiss a student at any time with no refund if he/she has proven to be an unsatisfactory member of the school community or if his or her conduct on or away from campus shows that he or she is consistently out of sympathy with the ideals, objectives, and programme of the school even though there may have been no infraction of a specific rule. False or incomplete information provided in the Application for Student Admission Form and the Confidential Parent/Guardian Questionnaire may result in the dismissal of the student with no refund.

I understand and accept my responsibility in supporting the school's stated mission and beliefs.
