

A Chance to Shine

Between Friday 4th March and Thursday 10th March StGIS will be visited by five senior members of the CIS Accreditation Team to scrutinise all elements of our school. This is our chance to shine and to be proud of the strengths of our remarkable learning community. It is important that our visitors see our school at its very best, but also that all members of our community are honest and open when questioned. We have much to be proud of and much work still to do before our school becomes everything it is capable of becoming. Our visitors are as follows :

Mr. R. McDonald : Head, Aiglon College, Switzerland (Chair)
Mr. J. Swetz : Director, Bilkent University IS, Turkey (Co-Chair)
Ms. M. Sutcliffe : Director, Rheintal IS, Liechtenstein
Mr. S. Braidwood, Retired Head, Aiglon College, Switzerland
Mrs. H. Roesen : Director's PA, British School of Brussels (Secretary)

I know that everyone will do all they can to make our visitors welcome and for our remarkable school to really shine.

TEDx ready to rock

This exciting first for StGIS will take place in the Kino from 19.00 on Thursday 10th March. The overall theme of the evening is global awareness. A number of our students will be outlining their "ideas worth sharing" in true TED style. The event is strictly ticket only; if you have received an invite from one of the speakers please see Ms Wauge in the library for your ticket. If you have not received an invite but are excited about the night and would like to come along, then go and see Ms Wauge anyway. For more information and full details about the programme for the evening please go to our website www.tedxstgis.com.

Never forget...

Thursday March 10th, Grade 9 and 10, Miss Davey and Miss Seaman will be taking the students to visit Dachau Concentration Camp near Munich. The bus pulls out at 7am and arrives back around 4pm.

It all adds up!

A big thank you to all students and staff for getting involved in World Maths Day! The finals results are:

Bleckwand: 33148 (60 Alm Points) **YELLOW 7Days!**

Schafberg: 32979 (40 Alm Points)

Illinger: 28612 (20 Alm Points)

That means as a school we answered a total of 94739 questions. See *Lakeside* (next week) for a full breakdown of scores.
