

ST. GILGEN INTERNATIONAL SCHOOL
AUSTRIA

The last word

Our final school assembly this term will take place in the church at St. Gilgen on Tuesday 5th April 2011 commencing at 16:00 hours. This will be quite a formal occasion but also a warm celebration of all that we have to be thankful for at St. Gilgen International School. All students must be in full school uniform on this date and look impeccable.

Any parents who are able to do so are warmly invited to join this assembly and to have tea with us afterwards. So that we are able to plan numbers, a short email to Anita Schleifer on reception (a.schleifer@stgis.at) by Friday 1st April would be most helpful if you are able to attend.

Hour lights will be off!

This Saturday between 20.30 and 21.30 over 130 countries, thousands of cities and more than 1 billion people worldwide will be celebrating Earth Hour by switching off lights for 1 hour. We all need to be aware of climate change and understand that every single one of us can make a difference. Small actions add up.

Here at school we will be hosting a small but meaningful event for those who would like to come along, learn a little and have some fun. Please be in the Soft Space by 20.15 on Saturday evening. The event will finish by 21.30. Boarders should communicate with their House Parents, day students should let me know by email directly if they plan to come. For more information go to: <http://www.earthhour.org> or contact Mr. Woodman : a.woodman@stgis.at

Are you up for it?

Are you up to the challenge? The WOLFGANGSEE CHALLENGE?

On the 10th of September 2011 triathletes from around the world will gather to compete in the hardest triathlon in Austria, testing themselves mentally and physically in a multisport event hosted in our beautiful natural environment. The elite category sees athletes completing a 1.5km swim, 45km mountain bike and a 15km run individually.

Your challenge is to complete the student event on Sunday 11th September by completing a 300m swim, 13km mountain bike route followed by a 3km cross country run. If you are up to the challenge please see Mr House for more information and start training IN THE NEXT 7 DAYS!

Issues DeLUX

The Global Issues Network is headed to Luxembourg this week to attend a GIN conference. They will be learning about global issues and more importantly what local actions we can take to solve them.
