## Dates worth studying

To help the Grade 12 students to prepare for their IB Diploma examinations in May, the World Studies team are offering optional revision sessions at the following times and places:

Super Tuesdays – Economics 20h15 to 21h15 in the Bachwirt with Mrs. May  
Wonderful Wednesdays – Geography 19h30 to 20h30 in the Altersheim with Mr. Woodman  
Thumping Thursdays – History 19h00 to 20h00 in the Library with Ms. Seaman

Hope to see you all there and looking forward to some great results come the summer.

## CIS Accreditation Visit

As parents are aware, we hosted two senior inspectors from the 'Council of International Schools' (CIS) this week who were undertaking a visit with a view to reaching a final decision on 'accrediting' our school. Our team at StGIS pulled together in a remarkable way and the inspectors saw our school in the best possible light. As Headmaster, I took feedback from the inspectors at the end of their visit.

We have done really well. The visitors praised our vision, our energy, our positive outlook, our honesty and our integrity. We do not yet know whether StGIS will achieve the coveted 'CIS Accredited Status' as the inspectors must now write a report to the Board of CIS in the Netherlands.

However, the key messages and warmth of feedback could not have been better. We will know the final outcome in about one month.
